

Powerful cleaners for tough jobs!

Fast & residue-free

High-performance degreaser engineered for fast, non-corrosive, and effective parts cleaning.

> **CRC Heavy Duty Parts Cleaner** delivers a strong and non-chlorinated degreasing option for brakes and industrial components to remove grease, oil, and other contaminants with controlled evaporation.

> **CRC NF Heavy Duty Parts Cleaner** offers a non-flammable, high-purity formula that evaporates rapidly leaving no residue. It is ideal for situations where flammable vapours may ignite and cause a fire.
