

CRC QD® Contact Cleaner is a plastic-safe general-purpose evaporating cleaner and degreaser for use on sensitive electronic and electrical equipment. It is formulated to quickly penetrate into hard-to-reach areas and effectively flush away carbon deposits, dirt, light oils, dust, lint and other light contaminants.

It is suitable for cleaning sensitive electronics and electrical equipment without leaving a residue. Using CRC QD® Contact Cleaner as part of a regular maintenance programme will eliminate carbon deposits and other contaminants that hold moisture and cause corrosion or arcing. An increase in resistance will indicate the frequency of re-application.

Use where lower flashpoint cleaners are acceptable. NSF P1 Registered.

Item Code: FG03130

Pack Size: 311g Aerosol

Features and Benefits

- **Quickly penetrates** into hard-to-reach areas
- **Rapid and complete evaporation:** Leaves no residue, no rinsing or wiping required
- **Safe for use on plastics**
- **Low in toxicity**
- **High purity formula**
- **Chemically stable, inert**
- **Non-conductive, non-corrosive, non-staining**
- **Contains no lubricants, silicones, oils**
- **NSF P1 Registered**

Typical Properties and Characteristics

Flash Point	< 23°C
Boiling Point	60.5°C
Odour	Ethereal odour
Appearance	Clear liquid
Solubility	Insoluble
% Volatile	100%
Vapour Density	> Air
Specific Gravity	0.66
Propellant	HFC-152A

Surface Tension	21 dynes/cm
KB Value	27
Dielectric Strength (ASTM D-877)	36,700 volts/mil

Directions

1. Do not apply while equipment is energized.
2. Shut off power supply. Be sure all stored power is drained from system and allow hot surfaces to cool before using product.
3. For optimum results, prepare heavily soiled or corroded surfaces by buffing with a mild abrasive.
4. Tilt surface and spray until clean.
5. Use an intermittent spray pattern to dislodge trapped particles and allow excess cleaner to run off.
6. Use extension tube for pinpoint delivery or hard-to-reach areas.
7. Allow product to dry completely and thoroughly vent system before restoring power.

Special Precautions

General:

Extremely flammable aerosol. Keep away from naked flames, electrical appliances/lights, lighted cigarettes, etc. Do not spray on open flame or other ignition source. Use with adequate ventilation. Store in a cool, well-ventilated area. Do not eat, drink or smoke when using this product. Dispose of contents/container in accordance with relevant regulations. All unused product should be disposed of in conformance with local and hazard regulations, do not contaminate water supply.

Aerosol Cans:

Do not puncture, incinerate or store above 50°C. Exposure to high temperatures may cause can to burst. Do not place in direct sunlight or near any heat source.

Refer to **Safety Data Sheet** for more details.

Product Warranty or Shelf Life

CRC offers a conditional warranty on this product for the period of 5 years from the date of manufacture.
