

TECHNICAL DATA SHEET

CRC Brakleen NF

CRC Brakleen Non-Flammable is a powerful, heavy-duty cleaner and degreaser for brake, clutch parts and general mechanical equipment.

CRC Brakleen NF is formulated to quickly and safely dissolve and flush away grease, oil, transmission fluid, brake fluid, hardened deposits and other contaminants, without the need for disassembly, reducing maintenance costs.

CRC Brakleen NF is perfect for degreasing components before reassembly - especially prior to thread locking. When sprayed, the breakup in the liquid stream assists cleaning by providing surface agitation and maximum wet-out.

Item Code: 1754856

Pack Size: 200L Drum

Features and Benefits

- **Powerful heavy-duty cleaner and degreaser:** Quick cleaning and quick evaporating
- **Non-flammable:** Ideal for situations where flammable vapours may cause a fire
- **No disassembly required:** Saves time and reduces maintenance cost
- **Low surface tension:** Gives excellent penetration and ensures superior dissolving and degreasing properties
- **Non-staining, non-corrosive, and leaves no residue**
- **Doesn't contain silicones**

Applications

- Brake linings, clutch plates, eliminates clutch slippage, drums, disc brake pads, forklifts, stops disc brake squeal, other related brake/clutch parts, callipers, cylinders, industrial machinery
- Ideal for the situations where fire safety protection is imperative

Typical Properties and Characteristics

Flash Point	None
Odour	Mild solvent
Solubility	Insoluble

Flammability	Non-flammable
Appearance	Clear colourless liquid
Specific Gravity	1.5

TECHNICAL DATA SHEET

CRC Brakleen NF

Directions

1. Equipment must be de-energised before cleaning.
2. Apply liberally and allow to run off.
3. Repeat the application if necessary.
4. Protect rubber brake parts and painted surfaces from overspray.

Note: Test on small area before using.

Special Precautions

General:

Causes skin and serious eye irritation. Toxic to aquatic life with long lasting effects. May cause drowsiness or dizziness. May be fatal if swallowed and enters airways. Wear protective gloves/protective clothing/eye protection/face protection/hearing protection.

Dispose of contents/container in accordance with relevant regulations.

IF SWALLOWED: Immediately call a POISON CENTRE or doctor/physician. Do NOT induce vomiting. Take off contaminated clothing and wash it before reuse. Wash thoroughly after handling. Store in a well-ventilated place. Keep cool. Keep container tightly closed. Store locked up.

Refer to **Safety Data Sheet** for more details.

Product Warranty or Shelf Life

CRC offers a conditional warranty on this product for the period of 5 years from the date of manufacture.
