

TECHNICAL DATA SHEET

CRC NF Aeroclean Degreaser

CRC Non-Flammable Aeroclean Degreaser delivers a concentrated jet of cleaning solution that removes oil & grease from a wide range of surfaces.

It leaves a degreasing agent on the surface, which emulsifies the remaining contaminants when flushed with water. It effectively removes bitumen-based grease.

CRC NF Aeroclean Degreaser is a unique combination of surfactants, detergents, and solvents. It is ideal for situations where flammable vapours may ignite and cause a fire.

Item Code: 1757385

Pack Size: 400g Aerosol

Features and Benefits

- **Spray on - Hose off:** Quick and easy to use formula
- **Removes oil & grease:** Fast and effective
- **Non-Corrosive:** Safe to use
- **Non-Flammable:** Ideal for situations where flammable vapours may cause a fire

Applications

CRC NF Aeroclean Degreaser is excellent on multiple surfaces.

- Mechanical equipment
- Workshop tools
- Garage floors
- Automotive engines

Directions

1. Shake can well.
2. Spray directly onto greasy or oily surfaces.
3. Allow to penetrate up to 5 minutes.
4. Hose off with pressure.
5. Heavy or thick deposits may have to be loosened with a scraper or brush. If necessary, spray the area again and hose off with pressure.

Note: Do not allow the product to come into contact with bitumen surfaces. Do not spray onto hot surfaces such as hot engines.
